

WG Meeting 3 “Health” in Rijeka, Croatia,  
4<sup>th</sup> and 5<sup>th</sup> March 2009

### **Protocol**

All presentations held at the meeting are available at [www.citiesforchildren.eu/78.0.html](http://www.citiesforchildren.eu/78.0.html)

Cologne is interested in the Moderation of WG 3 after Gaziantep

Suggestions for topics of next WG meeting:

1. School and Health – prevention programmes in elementary schools for all kinds of risk behaviours
2. Drug addiction – Holistic programmes on drug prevention in elementary schools
3. How can difficult youth and families be reached for prevention measures? (This is a focus in Cologne); early prevention: methods to reach young families
4. Eating disorders (overweight children, Bulimia, Anorexia)
5. Children with chronic diseases / handicapped in Education – involvement of teachers and parents
6. Information of high schools on sexually transmitted diseases (including families and teachers)
7. Involvement of mass media and VIPs in campaigns about health topics
